

Declaration REACH (EC 1907/2006)

All Kabelwerk Rhenania GmbH products are articles and not substances or preparations, as defined by REACH. The following requirements of the REACH directive are, in this case, particularly relevant:

1. Information requirements regarding articles containing substances of very high concern (SVHC) at concentration above the limit of 0.1%.
2. Observance of substances requiring authorisation in accordance with REACH Annex XIV.
3. Observance of the manufacturing, marketing and use restrictions specified by the REACH Annex XVII.

We observe all authorisation obligations in accordance to REACH Annex XIV, as well as all restrictions on manufacturing, marketing and use of substances, as defined in Annex XVII of REACH. All cables delivered by Kabelwerk Rhenania GmbH comply with the substance related requirements of REACH.

We closely monitor the "candidate list", as published by the European Chemicals Agency, in which the SVHC are listed. We continuously evaluate our products proactively to ensure that we take appropriate action.

As soon as we acquire knowledge of the presence of SVHC in our products, we will inform you in agreement with our legal obligations according to REACH article 33.

Aachen, den 01.04.2026

Wilfried Böhle

(Technische Leitung)
